v.

ENTRY ORDER ON SUMMARY JUDGMENT MOTION

A review of the pleadings leaves the court with significant questions as to the material question regarding the nature of the police involvement in the matter as to which public records are requested, i.e. whether this was in fact a criminal investigation under 1 V.S.A. § 317(c)(5). The motion for summary judgment is therefore denied, the request for expedited hearing is granted, and hearing notice is being issued forthwith. It is hoped that the relevant evidence can be presented in 1 ½ hours. If the parties believe more time should be scheduled, they should notify the court as soon as possible.

Dated at Woodstock this 15th day of October, 2010.
