## Business/Private Property

You can deny ICE entry without a judicial warrant

# KNOW YOUR RIGHTS

### If ICE shows up at your door:

1. You don't need to grant entry  
—assert your 4th Amendment rights.
2. Ask what they are there for.  
Request an interpreter if needed.
3. Ask to view ID and judicial warrant. If a warrant  
is not signed by a judge, **you can deny entry**.
4. Do not resist if they force entry.  
Clearly repeat, “I do not consent to entry,”  
and document details.
5. Contact Migrant Justice for rapid response.
